

**NOTICE OF SOLICITATION FOR ENVIRONMENTAL AND
ENGINEERING CONSULTANTS TO PROVIDE REGULATED
SUBSTANCE RESPONSE WORK**

The South Dakota Department of Environment and Natural Resources (DENR) is soliciting environmental and engineering consultants to provide regulated substance response and remediation capabilities. Consultants interested in providing services are required to submit a Statement of Interest that must be received by 5:00 PM, February 20, 2013, at the Department of Environment and Natural Resources, Ground Water Quality Program, Joe Foss Building, 523 East Capitol Avenue, Pierre, SD 57501-3182. Statements of Interest may be delivered in person, via standard or overnight mail, through fax to 605-773-6035, or by e-mail to Kim.McIntosh@state.sd.us.

Upon receiving a Statement of Interest, DENR will provide additional information in the form of a Request for Proposal outlining specific contract requirements. Interested consultants will then be asked to submit a Proposal specifying how those requirements will be met. To obtain additional information about this solicitation, please contact Kim McIntosh, Environmental Senior Scientist, Ground Water Quality Program in DENR at (605) 773-3296.
